2. Abbreviations, Symbols, OPR, and Distribution. An asterisk (*) before an entry indicates the publication has been issued since the last edition of the index. Functional (F), special (X), or limited (L) distribution is used to distribute the publications (AFI 37-161/AETC Sup 1). When specific organizations, or types of organizations, are listed in parentheses following the title, they are the only activities included in the F or X distribution. When specific organizations are listed in parenthesis following the OPR, they are the project officer/writer of the publication. S&I after the title, in parentheses, indicates the publication is stocked and issued by the OPR only; submit requests for these publications directly to the OPR. Publications identified by (PA) after the title fall under the purview of the Privacy Act of 1974. All publications listed in Sections A, B, D, H, I, K, L, M, and N of this index are contained in the World Wide Web (<http://www.aetc.af.mil/im/>) with the exception of Classified, For Official Use Only (FOUO), special (X) distribution, and limited (L) distribution publications. *Those publications available both electronically and in paper format are indicated by “EP” opposite the publication number.* NOTE: Publications in section O with an “EP” beside the publication number will be available in paper until stock is depleted, then they will only be available electronically.
